## Chapter 1 by anonymous

I'm anonymous. This girl named Carly Future has been taunting my friends and saying some mean things. Btw I'm not Carly Future. i'm protecting myself by not saying my name. You might not trust me but you really can't trust anyone I guess. Everyone has been feeling the creeps today and it was scary for all of us. None of us know who it is and we can't assume. As I said, don't trust anyone... Your friends can betray you. I've learned.

Today was creepy...

This Carly girl knows everything about Heidi and Whitney and "Culver" and Alex. Many others could be in danger too... Well I'm gonna keep updating what's happening and hopefully we will find out who is this major stalker. I don't really care if Carly talks about me now. It would be kinda cool hahah. Well I'm off for now. REMEMBER DONT TRUST ANYONE! WATCH YOUR BACK!

-bye
